Subject: Application for IT Infrastructure / Networking Position

Dear Hiring Manager,

I am writing to apply for an IT Infrastructure / Networking position at your organization. I have completed my Diploma in Information Technology and am currently studying IT Infrastructure. I am passionate about computer networking, system administration, network troubleshooting, and cybersecurity.

I am eager to apply my technical knowledge in a professional environment and gain practical industry experience. I am a quick learner with a positive attitude, problem-solving skills, and a strong commitment to continuous learning. I look forward to contributing to your IT team while developing my technical expertise.

I would welcome the opportunity to discuss my qualifications and suitability for this position. Thank you for your time and consideration.

Yours sincerely,
Jaydeep Parmar

ABOUT ME

I am an IT professional with a completed Diploma in Information Technology and am currently studying IT Infrastructure. I am passionate about computer networking, system administration, troubleshooting, and cybersecurity. I aim to build reliable, secure, and efficient IT systems while continuously improving my technical knowledge and practical skills.

EDUCATION

Diploma in Information Technology
Completed

IT Infrastructure Studies
Currently Studying

TECHNICAL SKILLS

- **Networking:** TCP/IP, OSI Model, IPv4, Subnetting, VLANs, Static Routing, RIP, OSPF
- **Network Tools:** Cisco Packet Tracer, Wireshark
- **System Administration:** Windows, Windows Server, Basic Troubleshooting
- **Network Services:** DNS, DHCP, FTP
- **Security:** Firewall Configuration, ACLs, AAA, RADIUS, TACACS+
- **Soft Skills:** Problem-Solving, Teamwork, Communication, Quick Learning

PROJECTS

1. VLAN Configuration and Inter-VLAN Routing

- Created VLANs to separate network departments.
- Assigned switch ports and configured routing between VLANs.
- Verified connectivity using ping and network commands.

2. Dynamic Routing with RIP and OSPF

- Configured routing between multiple routers.
- Verified routing tables and network connectivity.
- Practiced troubleshooting routing issues in Cisco Packet Tracer.

3. Network Security and Access Control

- Practiced firewall rules and Access Control Lists (ACLs).
- Studied network authentication using AAA, RADIUS, and TACACS+.
- Explored network traffic analysis using Wireshark.

CAREER OBJECTIVE

To begin my career in IT Infrastructure, Network Engineering, or Cybersecurity, where I can apply my technical knowledge, gain practical experience, and contribute to secure and reliable IT operations.

DECLARATION

I am committed to continuous learning and professional growth in the field of Information Technology.

Jaydeep Parmar

LETTER OF APPRECIATION

Date: 27 October 2026

To,
Jaydeep Parmar

Subject: Appreciation for Dedication and Commitment

Dear Jaydeep,

We would like to express our appreciation for your dedication, positive attitude, and enthusiasm for learning. Your interest in Information Technology, particularly networking, IT infrastructure, and cybersecurity, reflects your commitment to developing your professional skills.

Your willingness to learn new concepts, improve your technical knowledge, and take on challenges is commendable. Such qualities are valuable for personal development and future professional success.

We encourage you to continue working hard, exploring new technologies, and striving for excellence in your academic and professional journey.

We wish you continued success in your future endeavors.

Sincerely,

[Name of Issuing Authority]

Subject: Expression of Interest in IT Infrastructure and Networking Opportunities

Dear Hiring Manager,

I am writing to express my interest in potential job opportunities within your organization in the field of IT Infrastructure and Networking.

I have completed my Diploma in Information Technology and am currently studying IT Infrastructure. I am passionate about computer networking, system administration, network troubleshooting, and cybersecurity. I am eager to apply my technical knowledge in a professional environment and gain practical industry experience.

I am a quick learner with a strong willingness to develop new skills and adapt to emerging technologies. I believe that working with your organization would provide an opportunity to contribute to IT operations while advancing my professional knowledge and expertise.

I would appreciate the opportunity to be considered for any suitable entry-level positions or upcoming vacancies that match my qualifications and interests. Thank you for your time and consideration.

Yours sincerely,
Jaydeep Parmar

Dear Hiring Manager,

I hope you are doing well.

I am writing to thank you for the opportunity to interview for the IT Infrastructure / Networking position at your organization. I appreciate the time you took to discuss the role and the company's expectations.

Our conversation strengthened my interest in joining your team. With my completed Diploma in Information Technology and ongoing studies in IT Infrastructure, I am eager to apply my knowledge, develop my technical skills, and contribute to your organization.

I would appreciate any updates regarding my application and the next steps in the recruitment process.

Thank you for your time and consideration. I look forward to hearing from you.

Yours sincerely,
Jaydeep Parmar
